Welcome to UWSP

The staff of the University Library looks forward to serving your and your students’ research and information needs. In addition to this information sheet and perusing the Library homepage, we encourage you to contact a member of the library faculty or staff if you have questions about the Library’s services. The following includes information about some of the essential services you may want to know about the Library and contact information.

Borrowing Materials
— Faculty may borrow an unlimited number of items with a UWSP ID card. The loan period for most materials is one semester (with unlimited renewal).

Universal Borrowing
— Universal Borrowing (UB) is a service that allows UWSP students, faculty, retired faculty and staff to search the catalogs of all other libraries in the University of Wisconsin System and request titles not currently available in the Library. Materials will be delivered directly to the Circulation Desk at the Library within 2-3 days. You will be notified via email when your materials have arrived.

Reserves
— Faculty may place print, e-resources and videos on reserve for students. For more information, please visit http://library.uwsp.edu/res.html

Interlibrary Loan
— Interlibrary Loan will assist you in obtaining research materials that are not available in the University Library. Books not available from other University of Wisconsin campuses through Universal Borrowing and copies of journal articles can be requested from other libraries. Many items can be obtained within 24 hours. Some items may take longer (3-5 days or more) depending on availability. For more information, please visit http://library.uwsp.edu/depts/ill/ill.htm

Instruction
— The Library offers instruction sessions for classes (tailored to assignments), three sections of a one-credit course, “Information literacy skills for college-level research,” and it assists users through our reference services and individual appointments. For more information or to request a library session, please visit http://library.uwsp.edu/instruction/instruct.htm

Ordering materials
— Please contact your library liaison (see contact information on reverse page) for procedures on ordering materials or visit http://library.uwsp.edu/depts/colldev/colldev.htm

Delivery Service
— The Library offers a retrieval and delivery service for faculty. This service will allow faculty members to request library materials from the catalog for delivery to their office or administrative office, Monday through Friday, during regular office hours (8:00 a.m. - 4:30 p.m.). The expected turnaround time for delivery of the material is 24 hours.

Reference
— Please visit http://library.uwsp.edu/depts/ref/ref.htm
